Request for board applicants - 2 openings

Applications will be accepted for two positions on the November election ballot for the Travis County WCID - Point Venture Board of Directors beginning Monday, July 22, 2024.

Applicants have until 5:00 pm on Monday, August 19, 2024 to submit their application to be on the ballot. Interested applications are encouraged to submit early and if you want to talk to an existing board member about the responsibilities that can be arranged. Elections will be held Tuesday, November 5, 2024.

All interested, qualified applicants may either pick up an application at the District's Point Venture office weekdays between 8 am and noon or print them from the

District's website <https://tcwcid-pv.org/director-election-information> and then return the notarized application to the District's Point Venture office. Applications may also be submitted by email to Office@wcidpv.org.

Directors serve four-year terms and are expected to attend in-person monthly Board meetings which are held the fourth Thursday of each month at 3:00 pm. Occasionally special meetings are also scheduled.

Besides regular monthly business decisions, the Board also approves the District's budget and sets the property tax rate each year. Directors are also responsible for (Continued on next page)

Qualifications to Serve on TC-WCID Board of Directors

- Not been finally convicted of a felony from which he/she has not been pardoned or otherwise released from the resulting disability.

- Will swear to support and defend the constitution and laws of the US and State of Texas
- Be aware of the nepotism law, Chapter 573, Government Code.

And,

- Not disqualified to serve as a Director of Travis County Water Control and Improvement District – Point Venture, by reason of Section 49.052, Texas Water Code.

Next WCID Board of Directors' meeting is Thursday, June 27 at 3:00 p.m. in the District Office, 18606 Venture Dr.

Request for Board Applicants (Cont. from pg 1) setting customer rates for water and sewer services as well as other rates.

The District encourages interested residents or property owners to submit their application for the ballot between July 22 and August 19.

WWTP Construction Progress

On May 6, Trihydro clarified electrical bend fittings. Stainless steel slide gate for the aeration basin was delivered on that date.

On May 7, ACP submitted Pay Application #6 which Trihydro reviewed and recommended for payment. Also, the first shipment of miscellaneous fabrications was delivered. The chlorine contact and effluent transfer basins passed hydrostatic testing that day.

Three concrete pours were accomplished this month. On

May 8, ACP poured the aeration dropbox slab. On May 13, the aeration dropbox walls were poured and on May 20, the foundation for the clarifier was poured.

Also on May 8, concrete manholes for the new plant and Property Owner Association (POA) lift station were delivered. May 9, ACP completed temporary bypassing for the existing eight-inch effluent pump discharge line and the eight-inch effluent gravity line. ACP also completed excavation and proof-rolling subgrade for the clarifier. May 11, installation of the flex bas for the clarifier was completed. On May 15, ACP began excavation for the lift station wet well. May 17 ACP completed installing forms and rebar for the clarifier foundation.

For approximately the next three weeks, ACP will work on the clarifier basin walls and weir walls, and the lift station wet well excavation and foundation. Finally, the project scope on the generator will also be discussed.
